# PRINCIPAL'S MESSAGE

## WELCOME BACK TO TERM 3

It has been a very enjoyable first week of Term 3! Everyone is happy, very engaged in their learning and I have been hearing lots of lovely, friendly greetings in the yard and classrooms. I am really looking forward to a fantastic term ahead. There are plenty of great experiences planned for the students this term, including our Bike Education program, Book Week and at the end of the term, one of my favourite days, our annual Footy Day! Lots of fantastic high quality experiences for our students.

### NEW STAFF

We warmly welcome Ms Alex Bland to our school from the beginning of Term 3. Ms Bland will be the classroom teacher for 6C for the remainder of the school year and comes to Frankston Heights PS with a wealth of experience. We wish her all the very best for a great term ahead.

### NAPLAN

It is with great pride and excitement that I am able to announce that our 2024 NAPLAN results are outstanding! Students in Year 3 & 5 are assessed in the areas of reading, writing, spelling, grammar and punctuation and numeracy. We receive results that compare us against both the state, the network and similar schools (meaning those with a similar demographic of advantage/disadvantage). Of the ten assessments, we achieved results above similar schools in all tests, regularly featuring in the top 2 performers across the entire state. This is an outstanding achievement, and I would like to congratulate both staff and students on their efforts. Hard copy results will be sent home with the children today.

Have a safe and happy weekend!

Ricky Joyce

Principal

# 2024 NAPLAN ACHIEVEMENTS

In March this year, the Year 3 and Year 5 students sat the National Assessment Program for Literacy and Numeracy (NAPLAN). The assessment provides parents, students and the school with information about student performance in both Literacy and Numeracy. School and student results were released this week; however, state level comparisons will not be available until August. Individual NAPLAN reports were distributed to Year 3 and Year 5 students today, Friday July 19.

Student performance is measured against four proficiency standards. The standards provide clear information on student achievement. They represent a challenging but reasonable expectation of what students at each year level know and can do at the time of NAPLAN testing.

The four NAPLAN standards are:

**Exceeding:** the student's result exceeds expectations at the time of testing.

**Strong:** the student's result meets challenging but reasonable expectations at the time of testing.

**Developing:** the student's result indicates that they are working towards expectations at the time of testing.

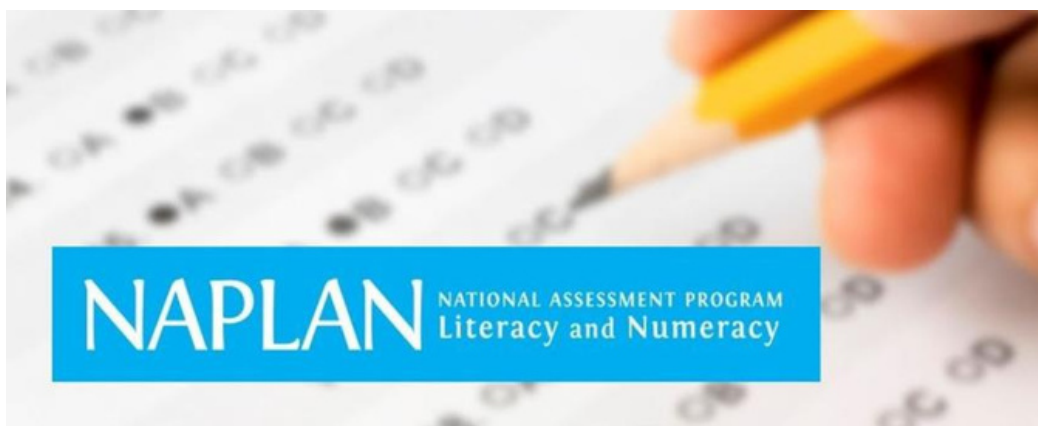

**Needs additional support:** the student's result indicates that they are not achieving the learning outcomes expected at the time of testing. They are likely to need additional support to progress satisfactorily.

The 2024 NAPLAN reports provide the school with information about how our students are tracking against their peers and an indication of student skill levels against national averages. FHPS results, in comparison to similar schools (a group of schools who have similar characteristics to FHPS) and schools in our network, are very pleasing and impressive. The percentage of students achieving at the exceeding and strong proficiency standards is above both the similar and network school groups in all areas (Numeracy, Reading, Writing, Spelling and Grammar and Punctuation) for Year 3 and Year 5.

NAPLAN tests are one aspect of our school's assessment and reporting process. Delivered each year to students in Year 3 and Year 5, NAPLAN does not replace the extensive, ongoing monitoring and assessment made by teachers about student performance. It is one data set used to monitor student learning and inform pedagogical practice.

Teachers, parents and students are to be congratulated on working together to provide educational opportunities that demonstrate positive learning achievement and growth.

Michelle Smith  
Assistant Principal

## TURNING NOTIFICATIONS ON IN SENTRAL

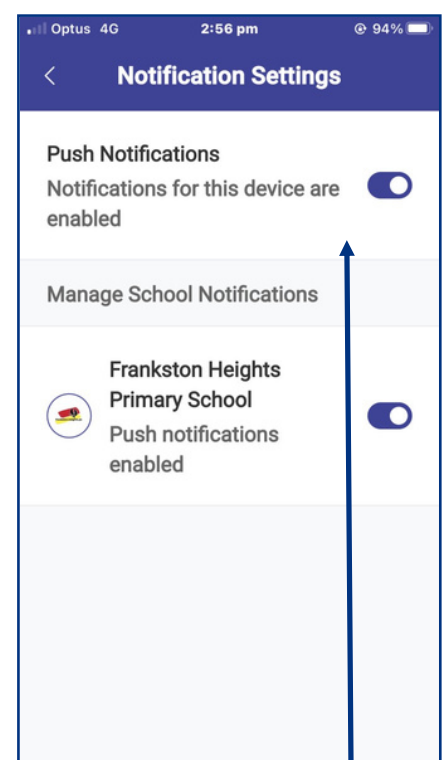

### STEP 1

- Log into your Sentral account
- Select **SETTINGS** in the bottom right corner of your screen

### STEP 2

Parents/carers of students who attend sick bay this week will receive both a paper and Sentral notification. In week 2, all sick bay notifications will be communicated via the Sentral portal. Remember to have **NOTIFICATIONS turned on!**

The notification will appear in the **HOME FEED**. **MARK AS READ** once viewed.

A message will display in the **HOME FEED** on Sentral.

Select **VIEW DETAILS** for information about the school activity and to provide consent for your child to participate.

**PAYMENT** is made separately using one of these methods **BPAY, eftpos, CSEF or family account credit**. Payment is not made on Sentral.
